

Welcome to Lower Key Stage 2

		
Ms Sandhu Hi, I'm Ms Sandhu! Originally from Australia, my journey eventually brought me across the world to call London home. With 17 years of KS2 experience under my belt, my classroom is a calm, empowered space where students feel safe to think critically, grow, and take smart risks. When I'm not teaching, you'll find me out on a long walk with my AirPods in, testing out a new bake in the kitchen, catching a live comedy show, lost in a great book, or planning my next escape. Travel and good food completely fuel my soul. (And yes, coming from Aus, my happy place is near the ocean, so I miss those waves more than words can say!) I am so excited for a blissful year ahead with all of you.	Ms Martin This will be my fifth year teaching at St Ann's Heath, and I am looking forward to the challenge of a mixed year group! I am the co-ordinator of Design and Technology at school, which is really fun. I am from the beautiful country of South Africa, and have lived in England for almost six years now. I have been teaching for seventeen years and am still enjoying the challenge of the difference between my two countries when it comes to education. I love being outside in nature, it is my happy place, so I am very happy living here where I am, surrounded by beautiful forests and woods. I also enjoy being crafty; scrapbooking, baking, and music – there is always music playing around me!	Mrs Sharma I am the Indian member of staff at St Ann's Heath and I started working here in January 2023, after working at other schools for 4 years. My home country is India. I am married and have two boys aged 25 and 19 and a pet dog called Bailey who is very cheeky. I love spending time by the sea with my family and friends; going for long nature walks by the river, canal or in the woods; and travelling to see my family in India or going on holidays abroad. My dream holiday is to visit the Maldives and Mauritius.

Welcome to Lower Key Stage 2!

We are really excited to get to know you all and feel there is so much to look forward to. In September, we will be starting our Home Sweet Home unit of learning which involves a walk into Virginia Water to find out all about the local area.

We really look forward to welcoming you to St Ann's Heath Junior School.
