

Welcome to Upper School

Mrs Fuller

I am the Welsh member of staff! I love all things theatrical and have been heavily involved in all the productions at St Ann's Heath for the last 26 years (which is how long I have been teaching here). I also love keeping fit and healthy and I do a lot of running in my spare time. I am married with two daughters and an incredibly bouncy dog called Freddie- who keeps me very busy. I enjoy long walks with him and my family. I love adventure and travel and try

Mrs Drake

This will be my fifth year at St Ann's Heath and my first year teaching a mixed class at St Ann's. I have been teaching for about ten years and am the head of Maths.

I have two children in their twenties and two cats who are very mischievous!

When I am not at school, I enjoy travelling, spending time with family and friends and all things stitching.

Mr Aldridge

Before teaching I was fortunate enough to travel to lots of exciting places, such as: China, USA, Japan, Germany, Singapore, Spain, Netherlands, France and Taiwan.

I used to teach tennis and have been able to play on the famous Wimbledon grass courts (not in the actual tournament though)! I love all sorts of sports but my favourites are football, rugby union, tennis and cricket. Outside of school,

Mrs Marchant

Outside of school, I enjoy spending time with my husband, our two teenage sons, and our dog, Waffle. I like to stay active- while I used to be a keen runner, I've recently taken up yoga and am really enjoying it. I still hope to run a marathon one day, though! Before having children, I travelled a lot and spent time living in both Spain and Australia. I loved experiencing life abroad and hope to travel more in the future. Although I haven't always been a

Miss Camp

Hello, I'm Miss Camp. Even as a little girl, I knew I wanted to teach so I went off to university in London and have been teaching locally since I graduated. I particularly like teaching History and Geography and I'm really looking forward to all of our interesting Upper School topics! I love cycling and walking in the countryside and setting myself new challenges. I spend a lot of time walking in our local Great Windsor Park. I visit my family in Norfolk

Mrs Pennington

I have been teaching at St Ann's Heath now for 25 years – that's a quarter of a century! I have now taught some current pupils' parents, which is hard to believe! I have two grown up daughters – both at University. We have two guinea pigs – Percy and Pickle, as well as a neighbour's cat that thinks our garden is its second home! My ideal pet would be a capybara (which is like a giant guinea pig) – but sadly we don't have the space...

to do as much of this as possible.	I love learning about new things which mostly happens from the children I work with and my own children.	love spending time with my family.	teacher, I've always worked with children and young people. I've been part of the St Ann's Heath community for around 10 years.	when I can and enjoy cycling around the peaceful villages and using cycling paths to see nature at its finest. I can't wait for the brilliant year ahead, see you in September!	In the spare time I have, I love cooking (especially baking), walking in the local area and socialising with friends and family - enjoying meals together or going to concerts and the cinema. I love nothing more than spending time hiking in the mountains or by the sea in the fresh air.
