At St Ann's Heath, we have successfully adopted a more holistic approach to teaching and learning which combines English with the wider curriculum.

Across the year, we will have five main units:

- The Blue Abyss
- Stone Age
- Narnia
- Romans
- Itlay

- Each unit combines key grammar, reading and writing skills alongside wider curriculum learning such as history, geography and science.
- Each unit is linked to a whole class text which we read in class together.
- We have found that this approach encourages children to make much clearer links in their learning, inspires better quality writing and promotes higher levels of enthusiasm and engagement.

Creative Curriculum

Curriculum overview

Published on our school website is the following information:

- *Curriculum overview*
- *Knowledge organisers*
- *Useful information about our school curriculum*

During the summer term each year, we deliver our Relationships, Health and Sex Education Curriculum. This forms part of the wider Personal, Social, Health and Economic Education provision. As there is a small amount of content that parents/carers have the right to withdraw their children from, we will invite you into school to view the materials later in the year.

RHSE

Many children will be involved in different types of intervention group throughout the year.

The main areas covered are:

- English skills – reading, spelling, writing
- Maths skills – arithmetic, reasoning
- Social and emotional groups

These take the form of small groups or one to ones and are led by both teachers and LSAs.

If these groups are during school time, you may **not** be notified in advance (with the exception of social and emotional groups). You will be notified of any intervention that takes place before or after school.
