

# Welcome to Year 3

**Mrs Pennington**

I have been teaching at St Ann's Heath now for 21 years! I have now taught some current pupils' parents, which is hard to believe! I have two teenage daughters and so I spend a lot of time being a taxi service around the local area... In the little spare time I have, I love reading, walking and socialising with friends and family. I love nothing more than spending time hiking in the mountains or by the sea in the fresh air.

**Mrs Fuller**

I am the Welsh member of staff! I love all things theatrical and have been heavily involved in all the productions at St Ann's Heath for the last 23 years (which is how long I have been teaching here). I also love keeping fit and healthy and I do a lot of running in my spare time. I am married with two daughters and an incredibly bouncy dog called Freddie- who keeps me very busy - and I enjoy long walks with him and my family. I love adventure and travel and try to do as much of this as possible.

**Mrs Marchant**

I have worked at St Ann's Heath for a number of years, first as a Learning Support Assistant and now as a teacher. I am married and have two teenage sons who both play football. At weekends, I spend a lot of time, in all weathers, watching them play! We have a gorgeous dog called Waffle who I love walking in the park, and I also enjoy running, reading and going on holiday. This summer, I am off to America and also training for a half marathon...wish me luck!

**Mrs Sharma**

I am the newest member of staff at St Ann's Heath and I started working here in January 2023 after working at other schools for 4 years. My home country is India. I am married and have two boys aged 23 and 17 and a pet dog called Bailey who is very cheeky. I love spending time by the sea with family and friends; going for long nature walks by the river, canal or in the woods; and travelling to see my family in India or going on holidays abroad.

## Welcome to Year 3!

We are really excited to get to know you all and feel there is so much to look forward to. In September, we will be starting our Home Sweet Home unit of learning which involves a walk into Virginia Water to find out all about the local area. As part of this unit of learning, we will be reading 'A House that Once Was' by Julie Fogliano.

We hope you have a restful holiday; we've attached a few wellbeing ideas that you could have a go at if you wish.
