| <p>Miss Arnold</p> <p>I have been a teacher at St Ann's Heath now for 5 years- my first year was during the pandemic! I have 2 dogs- both Schnauzers- called Dougie and Charlie and I love taking them on long walks around Virginia Water lake.</p> <p>When I am not at school, I enjoy going to the theatre and spending time with friends and family. My favourite season is Summer because I love having barbecues and picnics in the sunshine.</p> | <p>Mrs Drake</p> <p>This will be my second year at St Ann's Heath. I have been teaching for about eight years. I have two children aged 19 and 21 and two cats who are very mischievous!</p> <p>When I am not at school, I enjoy travelling, and sometimes manage to get away in my campervan, spending time with family and friends and all things stitching. I don't have a favourite season as each one has such amazing positives!</p> | <p>Miss Greene</p> <p>I have been working in schools on and off for 15 years in various different roles. This, however, is my second year at St Ann's Heath and as a teacher. I have two children, aged 5 and 14, as well as 4 cats and 3 rabbits, all of who keep me on my toes!</p> <p>When I am not at school, I enjoy spending time with my children, family and friends. We spend the time doing art activities, having days out at theme parks and going to the theatre. My favourite seasons are Spring and Autumn as the weather is not too hot but also nice enough, at times, to be outside.</p> |

Welcome to Year 5!

We are really excited to get to know you all and cannot wait to start teaching you all the exciting topics we have in year 5. In September, we will be starting our Titanic unit of learning. As part of this unit of learning, we will be reading 'The Titanic Detective agency' by Lindsay Littleson. If you are able to get a copy of this book over the summer holiday, it would be a really useful resource to have for September.

We hope you have a restful holiday; we've attached a few wellbeing ideas that you could have a go at if you wish.
