First Aid and Medicines in School

If your child is hurt or becomes unwell during the day, our trained first aid staff will attend to your child. You will be notified about a serious injury or if your child is too unwell to stay in school.

If your child is taking medicine, please let us know as it may affect his or her progress or behaviour at school. We ask you for basic health information when your child is enrolled at our school, and would ask that you keep us informed of any changes to this information as it arises.

Prescribed medicines will only be administered at school when essential. **Medicines must be in the original named container and include the pharmacist's instructions for administration.** The school will not make changes to the dosage on parental instruction.

For further information on administering medication, please refer to our medical policy that can be found on the school website.

If your child has regular medication such as an inhaler or epipen, please ensure it is in date and handed in to the office, clearly named along with a completed care plan detailing dosage etc. Letters are sent out to remind you when medication is close to expiry.

Absences

As a school we are committed to encouraging and supporting parents in ensuring children attend school 100% of the time. There is a clear link between regular attendance and good educational progress and attainment.

The school has to account for pupil absences. If your child is unwell, please telephone the school office **by 9.20am** on the first day of absence, clearly stating your child's name, class and the reason for absence.

If your child is absent with sickness or diarrhoea, **48 hours** is required after the last bout, before your child may return to school.

Please ensure that when returning to school after illness, your child is well enough to cope with a full day in school, including break and lunchtimes.

If your child has repeated time off school due to illness, we do request medical evidence to support their absence.

We require a written request if you need to take your child out for any appointments during the school day.

Unexplained absences appear on our official returns to the DFE as unauthorised.

As a school, we encourage excellent attendance from our pupils to maximise their learning and good progress whilst at St. Ann's Heath. Please note that, in line with government legislation, frequent unauthorised absences will result in a fixed penalty notices to parents being issued.

A request for absence form is available from the school office, but authorisation for absence will only be given if the circumstances are exceptional.

End of the day

There is a staggered end to the school day with Years 4 & 6 finishing at **3.10pm** and Years 3 & 5 finishing at **3.20pm**

Siblings can be collected together at 3.20pm

If it is pouring with rain, children wait in designated wet weather classrooms. These classrooms will be the ones facing the front playground.

If you are unable to collect your child by 3.30pm due to an unavoidable delay, you must notify the office.

Any late pick-ups will be monitored and followed up with parents where necessary.

We do provide an after school club facility, The Den. For more information, please contact the school office or email den@stannsheath.org

If your child is being collected by someone who does not regularly collect them, please notify us in writing in advance, or in an emergency, please contact the school office, so that arrangements can be made.
