ANNUAL CONSENT FORM 2023-2024

During each academic year, there are a number of visits and events, all of which require a parental consent form. In order to reduce the administration involved, we have produced an Annual Consent Form for any off-site visits that are organised for the year group – please find the link below for you to complete online. Please note that Y3 will have completed this form as part of their registration pack. Yrs 4, 5 and 6 will need to complete it in advance of trips starting this week, including Y5 swimming.

St Ann's Heath use a secure system for reporting your child's absence due to illness, called **Studybugs**. Parents who have/or have had children at Trumps Green will be familiar with this.

Please download the free Studybugs app (from the App Store or Google Play), or register on the Studybugs website. You will need to add the name and date of birth of your child/children and then choose 'St Ann's Heath' as their school. You should choose to turn ON the notifications for the app so that if we send you a message you will be able to see it. Please also tick the box that allows Studybugs to process your information - this ensures that your messages are sent across to the school. As soon as you have registered, you can use the app straight away or when first needed!

Once you have installed the app or registered online, you will be able to **use it to tell us whenever your child's ill and unable to attend school. This will replace the need to ring the school office to report your child absent.**
