**Artwork Usage**

Tick accordingly: ☐ I do NOT want the artwork displayed on Cauliflower Cards website or being used for future samples.

**Artwork Guidelines**

- Artwork must be completed on A4 or A5 sized paper or card. The artwork can be either landscape or portrait.
- Please attach only one piece of artwork to this form with glue stick. Don't use staples, paperclips, or sellotape as it will spoil the look of the artwork!
- Keep important details such as text &/or important features at least 1cm away from the edge of your design. We cut the finished cards a couple of mm in from the edge.
- Please note anything extending beyond the A4 or A5 design will not appear on the finished card at all.
- Keep designs unfolded & damage free as creases & marks will show on the final print.
- Text on your design will shrink when resized for printing onto small products ensure all wording is big & bold.

**GOOD RESULTS**

You can use almost ANYTHING! ✓

✓ Bold & bright designs, that fill the paper produce the best result. Large areas of white background are less effective.

**DO NOT USE**

Avoid disappointing results! ✗

- Coloured pencils or pencil drawings.
- Pencils or coloured pencils onto coloured paper.
- Reflective or shiny papers or materials.
- Same coloured media or material on the same coloured background.
- Sellotape or transparent film.
- Metallic pens & paint.
- Photos printed on glossy paper.

Stick/Glue artwork onto the box (Please do NOT use staples or paper clips)
