STAY SAFE ONLINE

BE SMART!

DESKTOP BACKGROUND COMPETITION

All the teachers at St Ann's Heath are feeling a little bored of staring at the same desktop background everyday. They want something a bit more colourful, a bit more eye-catching and something that promotes being safe online.

Your job is to help design an online safety background. It needs to be **landscape**, include rules to stay SMART online and be bright and colourful to raise awareness of staying safe online.

The winning designs will be chosen to grace the screens of the computers of the school.

THE DEADLINE FOR THIS IS MONDAY 26TH FEBRUARY.
