

Curriculum Enrichment Pupil Voice

26th March 2024

Year 3

Why do you think we celebrate World Book Day?

- To enjoy books.
- To celebrate reading.
- To read for fun.
- To encourage more people to read.

What did you enjoy most about World Book Day?

- I liked the vocabulary parade because it felt like we had fans as we walked around the school.
- I liked dressing up and making book tokens.
- I wrote my own poem.
- I liked the book in a jar competition. I made mine out of clay.

What did you enjoy most about our British Science Week Day?

- Gathering the supplies we needed to make moths and then making moths.
- I liked melting the jelly because it glowed as it dissolved under the visualiser and it smelt like Fanta!
- I liked making the zip wired to transport things.

What did you learn on British Science Week Day?

- We learnt how moths are camouflaged.
- We learnt about adaptations and Mrs Fuller told us about how iguanas have evolved to have flat snouts to scrape moss off the rocks.
- I learnt that trains are eco-friendlier than cars.

You recently visited Wisley Gardens, what was your highlight?

- I liked the flowers.
- I liked walking up the big hill to see all the different types of flowers.
- We went on a nature trail and did wax rubbings.
- I liked going in the green house and looking at the different types of flowers that grow in there.
- I loved the smells in the orchid house.

What did you learn at Wisley Gardens?

- All the learning was linked to our science learning about plants.
- We learnt what plants need to grow and the different environments that suit the different plants.
- I learnt about wind pollination where the wind blows the seeds off the plants to let more plants grow.

What else could we offer at St Ann's Heath for curriculum enrichment?

- We would like to do more baking.
- Have a girls' football team.
- Have a litter pick in our local community.
- Have a gymnastics club.

Year 4

Why do you think we celebrate World Book Day?

- There might be people who don't have books and it gives them the opportunity to read a new book.
- To celebrate reading which helps our mental health.

What did you enjoy most about World Book Day?

- Looking at the books – I really like Diary of a Wimpy Kid.
- The book jar competition.
- A chance to 'drop everything and read'.

What did you enjoy most about our British Science Week Day?

- Making biodegradable plastic.
- We had to detect how loud a sound was using a data logger.
- We had to make moths that were camouflaged and see if we could find them.

What would you have done to make World Book Day or British Science Week Day better?

- Even more investigations like the coke and Mentos experiment.
- Design and write our own books.

You recently visited Southall Gurdwara, what was your highlight?

- The people were so giving.
- I enjoyed the music – they were singing and playing the drums.
- I really liked the food – we had curry, yoghurt, rice and bread.

What did you learn at Southall Gurdwara?

- We learnt all about the 5Ks.
- I learnt some new words like Guru.
- They gave us a booklet to take home full of all the learning.

You recently visited the Narnia garden, what was your highlight?

- I liked visiting the Narnia garden because we got to go to the Queen's Castle in her slay.
- I like when we got back to school and we had Turkish Delight and hot chocolate.

What else could we offer at St Ann's Heath for curriculum enrichment?

- A history day where we look at fossils.
- More learning outside.
- Another science day with more investigations.

How would you sum up your time at St Ann's Heath so far?

- My time at St Ann's Heath has been the best.
- My time at St Ann's Heath has been good because the learning is always fun.
- There is always so much learning to do – it's so interesting.

Year 5

Why do you think we celebrate World Book Day?

- It's a national celebration.
- For people to welcome themselves into the world of reading.
- To celebrate books and talk about our unique tastes in books.

What did you enjoy most about World Book Day?

- The vocabulary parade because we got to see everyone's costumes and what they had created.
- The parade because we got to see all the different words people had created.

What did you enjoy most about our British Science Week Day?

- We made a water clock out of a plastic bottle.
- I liked the 15-minute neighbourhood where you can get anywhere in 15 minutes.
- It was fun to measure time using the marble obstacle.
- I made a tiny mechanism to measure time.

What would you have done to make World Book Day or British Science Week Day better?

- More investigations.
- I wanted to know how the water clock actually told the time.
- I wanted to carry my favourite book in the book parade.

You recently visited Hooke Court, what was your highlight?

- It was like a big sleepover with all my friends.
- I enjoyed the Tudor school room because it felt like going back in time.
- The people who stayed at school got to bake cookies.
- I enjoyed making the boats for Tudor travel and trade.

You recently visited Box Hill, what was your highlight?

- I enjoyed seeing the nature all around us.
- I enjoyed going on the obstacles like the stepping stones.
- I liked seeing the views from the very top of our walk.

What did you learn at Box Hill and Hooke Court?

- I learnt lots on both trips but at Hooke Court I learnt about how different life used to be.
- I learnt how to write like a Tudor.
- I learnt all about the history of the Manor House at Hooke Court.

What else could we offer at St Ann's Heath for curriculum enrichment?

- I would like a day for every subject like a maths day.
- I would like more trips.
- I'd like a fashion week where every day had a different theme.
- I would like more early morning clubs.

Year 6

Why do you think we celebrate World Book Day?

- To encourage people to read more.
- Some people don't own a book and it's a chance for them to read more books at school.

What did you enjoy most about World Book Day?

- The vocabulary dress up and parade was really fun.
- I liked having the chance to drop everything and read my book.
- I liked the decorating a token activity.

What did you enjoy most about our British Science Week Day?

- Making messy slime and investigating why it went wrong.
- I liked making the time posters.

What would you have done to make World Book Day or British Science Week Day better?

- Invite another author in on World Book Day.
- I would like to get to visit the British Science Museum in London.

During your time at St Ann's Heath, what have been your favourite curriculum enrichment activities? Why?

- Hooke Court residential was so fun because we got to spend so much time with our friends.
- When we turned the classroom into Narnia in Y4.
- Going to the forest and roasting apples on Stone Age Day.
- Going to the Rural Life Museum in Y6 and looking at all the old-style shops.
- In Y3 where we made a pretend bus and we thought we were really going to London in it.
- The Roman wow day with shields and javelins.
- In Y5 when we tried freeze dried food on space day.

What else could we offer at St Ann's Heath for curriculum enrichment?

- We've really enjoyed everything we've done at St Ann's Heath.
- More opportunities to cook.

How would you sum up your time at St Ann's Heath?

- Our time at St Ann's Heath has been interesting and surprising because you never know what to expect on a wow day like in Yr4 when we had Roman day and we had a battle with the javelins.
