Planners

Each year, the school designs its own school planner. This is where your child will record their homework, including any reading they do at home. There is also a lot of useful information in the planner that will support you with supporting your child at home. FOSAH kindly part fund the planners, but we do ask for a £4 donation towards the cost from parents.

The planners will be available in September and a request will be sent via Scopay for the £4 contribution. Please await further instruction in September.

Equipment

All children are asked to provide their own pencil case with stationery equipment.

All children will need:

- A small flat pencil case (it needs to fit into their tray)
- HB pencils
- A rubber
- A pencil sharpener
- Pritt Stick
- Colouring Pencils
- Drywipe whiteboard pen
- A green biro (for editing work)
- A ruler (This can be a short ruler to fit inside a pencil case. The school will have 30cm rulers in class for the children to use.
- A blue ink handwriting pen, such as Berol Handwriting Pen, Staedtler Handwriting Pen or Swash Komfigrip Handwriting Pen (Note: this will only be needed once a handwriting licence has been granted)

Please ensure no extra equipment is brought into school.

First Aid and Medicines in School

If your child is hurt or becomes unwell during the day, our staff, who are first aid trained, will attend to your child. You will be notified about a serious injury or if your child is too unwell to stay in school. The school uses Medical Tracker to record any incidents, and parents will receive notification via email if their child has received a significant bump, cut or graze.

If your child is taking medicine, please let us know as it may affect his or her progress or behaviour at school. We ask you for basic health information when your child is enrolled at our school, and would ask that you keep us informed of any changes to this information as it arises.

Prescribed medicines will only be administered at school when essential. **Medicines must be in the original named container and include the pharmacist's instructions for administration.** The school will not make changes to the dosage on parental instruction.

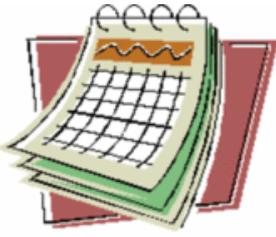

For further information on administering medication, please refer to our 'Supporting Children with medical conditions' policy that can be found on the school website.

If your child has regular medication such as an inhaler or epipen, please ensure it is in date and handed in to the office, clearly named along with a completed care plan detailing dosage etc. Letters are sent out to remind you when medication is close to expiry.

Attendance and Absence

As a school we are committed to encouraging and supporting parents in ensuring children attend school 100% of the time. There is a clear link between regular attendance and good educational progress and attainment.

Studybugs 

Reasons for absence:

Illness - if your child is unwell, please report using Studybugs before 8.45 on the first day of absence, clearly stating the reason for absence. This will need to be repeated for each day of absence.

If your child is absent with sickness or diarrhoea, 48 hours is required after the last bout, before your child may return to school.

Medical appointments – please endeavour to make these appointments out of the school day/ term. If you do need to take your child out for an appointment, please report this using Studybugs. Additionally, evidence of the appointment (appointment card/ screenshot from a text message confirmation) needs to be emailed to admin@stannsheath.org

If your child has repeated time off school due to illness, we do request medical evidence to support their absence.

Unauthorised absence – holidays taken during term time will not be authorised and may incur a fine.
