# ORDERS 2025

Your child's unique number will be here

Your child should be bringing home a Christmas Card design. Each design will have an order form attached to it that will look like the image here. If you would like to order your child's design, you will need to go to the website

<https://shop.cauliflowergroup.co.uk>

– and login if you've used the website before or register yourself as a first time user.

You will then need to login and enter your child's school code (which is **4240** for everyone) and then your child's **unique** code (which can be found on the order form) and your child's name and class. Once you have entered that information, you can choose which products you wish to purchase. **Orders need to be made and paid for online. - Keep important details such as text &/or important features at **least 1cm** away from the edge of your design. We cut the finished cards a couple of mm in from the edge.
- **Please note anything extending beyond the A4 or A5 design will not appear on the finished card at all.**
- Keep designs unfolded & damage free as creases & marks will show on the final print.

**DO NOT USE:**

- Coloured pencils or pencil drawings

Bag2School is the UK's leading textile recycler and fundraiser working with schools and since its inception in 1999 it has now paid out over £48 million.

As well as raising vitally needed funds for our school, it also helps the environment by helping to divert good quality unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However, it is a fact that as a nation we still send 350,000 tonnes of textiles to landfill every year.

By getting involved in our Bag2School collection, you have an opportunity to sort through your cupboards and wardrobes and donate good quality unwanted textiles in the bag provided – this can include adults' and children's clothes, shoes (tied together please), hats, belts and handbags, (please refer to <https://bag2school.com> for full details). In addition to raising much needed funds it will also raise awareness amongst the children of the benefits of recycling and reuse.

You can fill the donation bag (which will be coming home shortly) and if you still have more then you can use any other large bags (e.g. black sacks) to donate your items. Don't forget to ask grandparents, friends and neighbours to have a sort out as well!

Bag2School will be collecting from St Ann's Heath on FRIDAY 7TH NOVEMBER. Please bring your bag (or bags!) to school **DROP OFF** on that day and help us have a really good collection.
