

St Ann's Heath Bulletin No.15

Date of issue - 22.01.26

TRIPS & EVENTS

TERM DATES 2026-2027

Some of you may have noticed that Surrey are changing the holiday dates in next academic year 2026-27. They are introducing a 2 week October 2026 Half Term and reducing the length of the summer holidays. The dates are available on our [website](#) for you to see. We have not yet finalised when the 5 INSET days will be next academic year but will let you know in due course.

LOWER SCHOOL - TRIP TO GURDWARA TEMPLE 13.02.26

Parents of children in lower school should have received an email (sent on 16/01) about a trip to the Gurdwara Temple on Friday, 13th February. The cost of the trip is £9.20 and this can be paid via Sco-Pay. If you have any questions regarding the trip please email lowerschool@stannsheath.org

Year 4 Swimming Payments

As you will be aware, we are asking Year 4 parents to contribute towards the cost of swimming instruction, pool hire and transport for the 30 lessons delivered over the course of the year. The total cost for this academic year is £204.00, which may be paid in full or in instalments.

Payments can be made online via Sco-Pay. If you require any support or have questions regarding payments, please contact Mrs Eales in the school office, who will be happy to help.

Thank you to the parents who have already made payment or set up instalments.

Year 5 HOOKE COURT & Year 6 JCA RESIDENTIAL TRIPS

If your child is taking part in one of the Year 5 or Year 6 residential trips, please ensure that payments are up to date. For families paying by instalments, the next payment is due by the end of January. Parents of children attending the Year 5 Hooke Court residential are also reminded to complete the medical and dietary forms, which were emailed on 5 January. If you are experiencing any difficulties with making payments, please speak to a member of the office team in confidence. Please make a note of the Year 5 Hooke Court Information Meeting for parents and children on

Please remember that if your child arrives at school after 8.45am, when the playground gates are closed, an adult will need to accompany them into school to sign them in on the iPad at the office. **Please do not just drop off and leave!** This is part of our safeguarding procedures. Please note that if you arrive late twice or more in a week you will receive an automated alert through Studybugs.

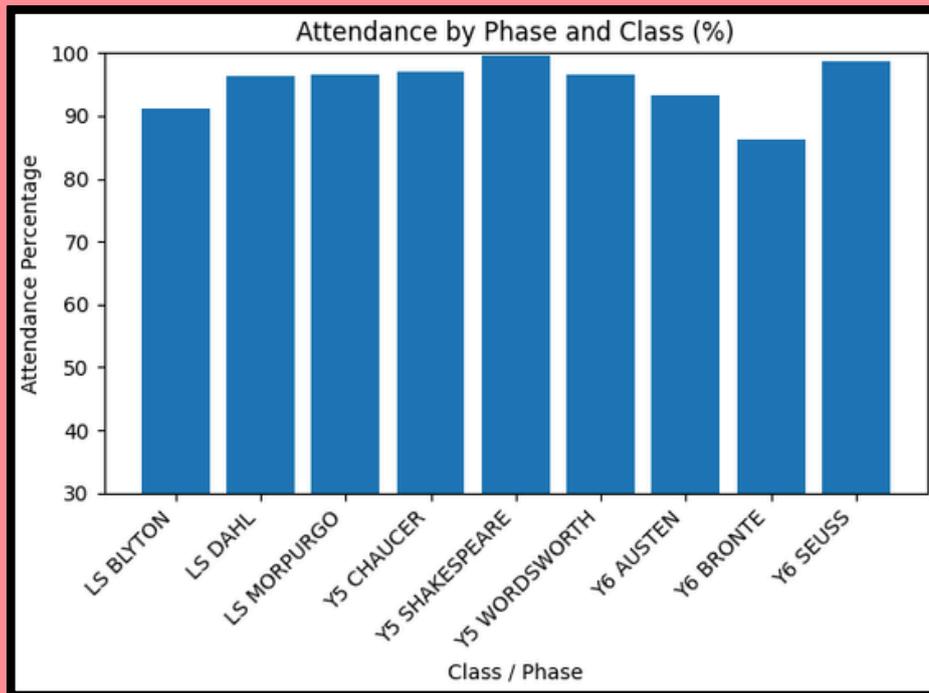

Can we also remind parents whose children use The Den after school that you need to collect your child by 6pm at the latest to avoid being fined.

Thank you

This Week's Attendance - 15.01.26-22.01.26

How has your child's class done?

Well done to Y5 Shakespeare with a great result of 99.6%

There have been some cases of headlice in school. Please check your child's hair and treat if required. We have added some ideas for treatment below.

How to conquer HEAD LICE in 6 easy steps

- Hitting them strong and hitting them hard**
There are a number of strong chemical products on the market. These seem to appeal and revolt parents in equal numbers. While some don't like the idea of strong chemicals in such close contact with their child's skin, others find it reassuring for the very same reason - if there's chemicals involved, they must be doing a thorough job.
- Going the touchy-feely route**
Also available are natural products based on essential oils and pyrethrin, which smell a lot better than the chemical-based products. Because these products aren't as strong as the chemical-based ones, they usually need to be left in the hair longer to take effect.
- Cooking up some homebrew**
Like all good homebrew recipes, everyone has a different one that they swear by. Mostly though, they are made up of things that you could find in the kitchen or bathroom. Almost all are bulked out with thick conditioner. Popular recipes usually include: tea-tree oil, eucalyptus oil, vinegar, olive oil, orange oil, lavender oil.
- Using hair spray/ hair gel**
During an infestation of nits, spray your child's hair with hairspray, or comb through hair gel to make it more difficult for the lice to attach to their hair shafts.
- Trying the white conditioner treatment**
Regular combing is the key to keeping lice under control. Apply a thick, white conditioner (it makes it easier to see the nits and lice against white) and using a nit comb, section the hair and carefully comb, wiping each comb-full of conditioner, nits and lice onto a paper towel. Keep combing until you can't see any more eggs or lice in the conditioner. Repeat after seven days.
- Applying vinegar**
Thoroughly douse your child's hair with vinegar and leave for 15 minutes to allow the vinegar to kill the lice. Apply the white conditioner treatment.
